

Empowerment thru
Creative Integration

General Order Supplier

Profile

Introduction

Empowerment thru Creative Integration (ECI) is ISO 9001:2015 certified and consultancy firm working since 1989 with a mission to develop capacities of individuals, institutes and communities in order to bring about socio-economic transformation in their respective areas by turning them into responsible, empowered and active citizens of the world. We pride ourselves on being national market leaders in development-sector training programs.

The organization has over 33 years of national and international experience in a vast spectrum of services including strategic planning, institutional development, project design & implementation and research & evaluation.

Moreover, ECI is a reputable and trusted General Order Supplier firm as well. we have established ourselves as a reliable partner for businesses seeking efficient procurement and supply solutions. Our commitment to excellence, competitive pricing, and customer-centric approach makes us a preferred choice among our clients. The company possesses a skilled and seasoned workforce capable of handling various project types. At ECI, we prioritize complete client satisfaction and employ Total Quality Management principles.

How We Work?

We support our clients by following a thorough procedure:

01

The client articulates their product requirements.

02

We are capable of promptly providing the desired product at a competitive price.

03

We guide the client in selecting the product using a well-established industry standard.

04

We handle negotiations and ensure the product is delivered to the client's full satisfaction.

Our Mission

Our mission is to provide exceptional and reliable procurement and supply chain solutions to our clients, delivering high-quality products and services while upholding the highest standards of integrity, efficiency, and sustainability. We strive to be a trusted partner, simplifying the sourcing process for our clients, optimizing their supply chains, and contributing to their success. Our commitment to innovation, customer satisfaction, and social responsibility guides us in every aspect of our operations as we work towards creating value for our clients, employees, and communities.
